MEXICO'S CENTENNIAL

(Associated Press Cable.)

CITY OF MEXICO, Sept. 15.—
With cheers for her departed heroes
and more cheers for the living
statesmen who are shaping her des-
tiny, the Republic of Mexico today
observed the one hundredth anni-
versary of her independence from
Spain, reaching the height of a stu-
pendous celebration which was
started on September 1 and which
is to continue till the end of this
month.

Representatives from every great
power in the world are here. Every
municipality in the republic has a
special program.

President Taft is represented by
Curtis Guild as special ambassador.
Herr Karl Bueenz is special ambas-
sador representing Emperor Wil-
helm.

Italy sent Marquis Capucci di Bur-
gano. Turkey and China are fully
represented.

To signify the forgiveness by the
mother country of her one-time re-
bellious child, the Kingdom of Spain
has sent back to Mexico the uniform
of the revolutionary general and pa-
triot, Jose Marie Morelos. This his-
toric relic of war was entrusted to
the Spanish special ambassador and
turned over by him in person to
President Diaz in the national pal-
ace.

Upon a given signal that the pre-
sentation had been made, a salute of
twenty-one guns was fired, bells of
all the churches in Mexico were
rung, fireworks were displayed,
bands played the national air, and a
huge Mexican flag was broken to
the breeze above the palace.

The American and British colo-
nies are taking prominent parts in
the celebration. Americans have
erected a peace monument. For this
private subscriptions were asked.

CANNON STILL IN THE FIGHT

CHICAGO, Sept. 15.—Speaker Jo-
seph G. Cannon has been nominated
at the primaries for reelection to
Congress, where, if elected, he will
make a gigantic effort to retain the
gavel. His friends predict that the
next Congress will be safely Repub-
lican, with Mr. Cannon seated in the
chair, though his enemies declare
that Cannon can not be again elected
Speaker.

Representatives George E. Foss
and Henry S. Houffell have probably
been defeated. Representative Jas.
R. Mann is running close.

The majority of the Lorimer Dem-
ocrats have proved successful.
Bryone is renominated for the State
Legislature.

SAYS POLICE ARE CORRUPT.

SAN FRANCISCO, Sept. 15.—The
mayor today communicated with the
commissioners of police, calling upon
them to restore the police depart-
ment to efficiency.

He declares the city to be overrun
by pickpockets, and bunco men are
reaping a rich harvest from citizens
who are not given the police protec-
tion to which they are entitled and
for which they pay.

He says that the criminal class is
receiving protection from the depart-
ment and asks that an investigation
be made and that there be a clean-
up of grafters identified with the
police.

MAURETANIA MAKES RECORD.

NEW YORK, Sept. 15.—The Ca-
nard steamship Mauretania has es-
tablished a new transatlantic re-
cord, arriving here from Queenstown
in four days, ten hours and forty-
one minutes, averaging 26.95 knots
an hour.

WHITE BEATS CURTIS.

BOSTON, Sept. 15.—White has
defeated Curtis in the five-quarter
mile race by sixteen
and three-fifths seconds, his time being
five minutes forty-seven and four-
fifths seconds.

ENDORSES TAFT AND TARIFF.

RAWLINS, Wyo., Sept. 15.—The
State Republican convention en-
dorses President Taft and his admin-
istration, Secretary of the Interior
Ballinger, and the tariff.

POWERS GETS NOMINATION.

LONDON, Ks., Sept. 15.—Caleb
Powers has defeated Congressman
Don C. Edwards for the nomination
for reelection.

THE very first item
on the list of sup-
plies for a camping
party should be: Five
cakes of Ivory Soap.

Use one cake for bath-
ing; another for the toi-
let; a third to cleanse
underwear and flannels
and the other two to keep
pots, pans and plates free
from impurities.
